SUPERVISORY GUIDELINES FOR CHILD SAFETY

Children under the age of 12 should be accompanied by a responsible caregiver.

- For reasons of safety, children under the age of 7 should be under immediate supervision (parent, legal guardian or appointed caregiver over the age of 16) at all times while visiting the library.
- Children ages 7-11 need not be in the immediate presence of a caregiver but one should be somewhere in the building.
- During library sponsored programs the parent/caregiver must remain in the library building if given the option of leaving the programming area.

READING INCENTIVE PROGRAMS- Sign-up begins on Monday June 16 and is ongoing through Aug 8. The purpose of these programs is to encourage reading everyday/regularly throughout the summer. Participants choose between two programs; the easy timed reading ***Fizz, Boom, Read*** or the **The Fizz, Boom Challenge**. Age is not a consideration; rather the reader's ability and desire determine which program is best for each individual. ***Fizz, Boom, Read*** is based on reading / listening to at least 15 minutes of literature each day, marking the timed reading sheet rewards participants for only 15 minutes each day of the week with small prizes. **The Fizz, Boom Challenge** involves completing five tasks and reading three longer books over eight weeks; prizes are more substantial and include free books.

Monday evening Programs- 6:30 pm- all programs are available to the public regardless of SRP registration. Consult DCPL's web-calendar for program specific details.

Tuesday Stories & Crafts- 10:30 am- in general is planned and prepared for elementary aged children, Julie, Maggie or Ellie will read a story related to the ***Fizz, Boom, Read*** theme and offer related craft/science activities to the participants. Regardless of age, please be prepared to assist your child if needed.

Note for Day Care Providers- We welcome the participation of children in your care at Stories and Crafts. Please only register if you commit to attending the workshop. If you do not call 24 hours in advance and do not show for the event your participation in future workshops will be restricted. Once the seating allotment fills we will start a 'wait-list' and we will attempt to notify persons listed of seat availability. Admittance at the door is only granted if seats are actually available 5 minutes after the workshop start time, so please be aware that seats may not become available. If seats are available in any of these opportunities, we may be able to accommodate family participants. Daycare providers have the opportunity to register one week in advance of the workshop.
